### THIS GOLF TOURNAMENT BENEFITS:

The mission of Emma's Hugs is to support families and caregivers of those in hospital settings so that they can better focus on their loved one's recovery. The need to pay \$75 a week for parking means many families will not make their mortgage payment. Emma's Hugs is a non-profit charity that provides free parking for families who spend significant time in the Texas Medical Center.

The purpose of Compassionate Touch, Inc. is to relieve the financial stress that often accompanies illness to enable families to receive medical attention without disruption or interruption. The organization assists with urgent funding for lodging, parking, meals/groceries, rent, utilities, and travel expenses.
