

ACHE Chapter Panel Discussion

“Ethical Challenges in Healthcare Leadership”

Memorial Hermann Hospital, The Woodlands – October 15, 2015

BIOGRAPHY

Thomas (Tom) Wm. Jackson, FACHE
Chief Executive Officer
Tomball Regional Medical Center

Tom Jackson was named Chief Executive Officer of Tomball Regional Medical Center (TRMC) in 2014 and has been an active member of the community throughout his tenure, serving on the board of the Greater Tomball Chamber of Commerce and participating in several organizations within the community.

Raised in Judsonia, Arkansas, Tom received degrees in accounting and data processing/quantitative analysis from the University of Arkansas at Fayetteville and earned his MHA at Trinity University in San Antonio, Texas. He spent 16 years in the Houston market working for KPMG International and two Houston hospital systems. Before coming to Tomball, Tom served as CEO of College Station Medical Center.

Since 1976, Tomball Regional Medical Center has provided quality healthcare to the northwest Houston community. Through exceptional technology and specialized medical staff, area residents receive a full range of medical services close to home including emergency care, labor and delivery, a level III Neonatal Intensive Care Unit (NICU), general surgery, robotic surgery, cardiology, pulmonary medicine, acute inpatient rehabilitation, sports medicine, physical therapy, orthopedics, outpatient testing, wound care and many others.

The hospital's 150-acre campus also features designated specialty centers: The Tomball Regional Orthopedic Center, The Women's Center, Texas Sports Medicine Center, The Heart Center and the Tomball Regional Medical Center Wound and Hyperbaric Center.
