

## Mariah Yannerella BIO

Mariah Yannerella is proud to serve Texas Children's Hospital as a Financial & Special Projects Coordinator (Project Manager) since November 2021. Her prior experience in public health, private aviation, and manufacturing brings unique perspective when leading process improvement and innovation initiatives for outpatient clinics within the Department of Pediatrics. In addition to these responsibilities, Mariah also serves as the primary preceptor of the Ambulatory Business Operations internship program since March 2023.
