

## Douglas Washington Bio:

Douglas Washington, Jr. is a highly skilled Quality Coordinator at HCA Houston Healthcare, where he has been instrumental since December 2021. His educational background is notable, with a Master of Healthcare Administration and a Project Management Certification from Park University, and a Bachelor's in Health Care Administration from Brazosport College. Douglas excels in promoting a culture of optimal care, spearheading quality improvement, and leading performance improvement initiatives at HCA Houston Healthcare. He is adept in data analysis, problem-solving methodologies like SEA/RCA and FMECA, and proficient in Meditech for comprehensive reporting. His prior experiences during a Healthcare Administrator Mentorship and as an Administrative Quality Intern have honed his abilities in compliance, risk management, and quality enhancement, making him an invaluable contributor to the healthcare sector in Webster, Texas.
