

Ronald Paulus, MD
Commure Strongline Strategic Advisor

Ronald Paulus, MD, is immediate past President and CEO of **Mission Health**, which closed a transformative transaction with HCA Healthcare in early 2019.

Before joining Mission Health, Dr. Paulus served both as Chief Administrative Officer and Chief Innovation Officer for **Geisinger Health System**. Prior to that, he was co-founder, President and later CEO of **CareScience**, Inc. (a NASDAQ company), later acquired by Premier, Inc.

Dr. Paulus currently serves as President and CEO of **RAPMD Strategic Advisors** and an Executive in Residence with **General Catalyst**. He also serves on numerous boards (**Karius**, **Ossium Health** and **PathAI**).
