Dr. Ashley McClellan is an experienced senior executive with over 18 years' experience in Chief Executive Officer and Chief Operating Officer roles across three organizations for HCA Healthcare, including serving as CEO of The Woman's Hospital of Texas 2015-2019, before serving as CEO at Research Medical Center, Research Psychiatric Center and a College of Nursing 2019-2023. She then transitioned and launched her own company as Founder and CEO of MedCurate in 2023. MedCurate replaces traditional healthcare staffing agencies with a digital marketplace that is mutually beneficial for healthcare providers and organizations…think of MedCurate as the "Uber for Healthcare Staffing".

Ashley attended Southern Methodist University (SMU) where she obtained her BBA in Finance and BA in Spanish. She received her Master's in Hospital Administration and MBA from Texas Woman's University, and Doctor of Health Administration in 2024. Dr. McClellan is a Fellow and Board Certified by the American College of Healthcare Executives (ACHE) and serves on several boards including Children's Mercy Health System, Young Men's Service League-Kansas City, Young President's Organization of Kansas City, and SMU Cox School of Business Alumnae Board. Ashley joined faculty at the University of Kansas School of Medicine to educate future healthcare leaders in their Masters program Fall 2025.
