

Sara Loubani Bio

Sara Loubani is a Master of Health Management student at UTHealth School of Public Health, where she is also pursuing a Leadership and Healthcare Administration certificate. She graduated from the University of Houston in 2023 with a Bachelor of Science in Biology and a minor in Medicine and Society. She is currently an intern with the American College of Healthcare Executives –SouthEast Texas Chapter (ACHE-SETC), where she has been involved since 2024 and will continue through Spring 2025. In this role, she supports leadership initiatives, event coordination, and strategic projects to enhance professional development and networking opportunities for healthcare leaders. Sara is passionate about healthcare leadership, organizational improvement, and advancing equity initiatives in healthcare and the community. She is dedicated to developing innovative strategies that enhance healthcare systems and improve patient outcomes.
