TaShauna McCray, DNP, MBA, RN, NEA-BC, serves as the Division Vice President of Nursing Operations for HCA Houston Healthcare. In this role, Dr. McCray leads the execution of HCA=92s nursing strategy by driving the efficient and effective deployment of initiatives and processes that support exceptional patient care across the division. She provides strategic leadership, education, mentorship, and guidance to achieve sustainable outcomes and elevate nursing practice.

With more than a decade of executive nursing experience, Dr. McCray has dedicated her career to developing authentic leaders and transforming care delivery to improve patient outcomes. A recognized catalyst for change, she brings expertise in performance improvement, physician relations, change management, employee and community engagement, and regulatory compliance. Dr. McCray earned her Doctor of Nursing Practice with an emphasis on executive leadership from Texas Tech University, a Master of Science in Nursing from the University of Texas Medical Branch, a Master of Business Administration from Prairie View A&M University, and a Bachelor of Science in Nursing from the University of Arkansas at Monticello.

Her professional affiliations include the American College of Healthcare Executives (ACHE), National Association of Health Services Executives (N.A.H.S.E.), Texas Nurses Association (TNA), and American Nurses Association (ANA). She serves as a mentor for ACHE, N.A.H.S.E., and TNA = and is a Senior Advisory Board member for N.A.H.S.E. Committed to community service, Dr. McCray serves as a board member for Golden Experiences, mentors students at Texas Southern University and Alief ISD who aspire to healthcare careers and leads volunteer efforts at Manna Food Pantry in Northwest Houston. Outside of her professional and community roles, she enjoys spending time with her husband and their four amazing daughters.
